The villa can accommodate up to eight people. The master bedroom, which has an en-suite bathroom, has a double bed, with the two remaining bedrooms having two single beds in each. Every bedroom is now fully air-conditioned and heated. A "King" size sofa bed is located in the lounge on the first floor.

Your private pool is 8 metres long by 4 metres wide and has a cool shower alongside. Lounger's and parasols are also provided poolside. A traditional Portuguese barbecue is also located here.

From the 1st floor sun deck, where you can dine or barbecue, the view looks east over the hills towards Spain and the coast. The garden is planted with local roses, lavender, and kumquat.
